FINDS MADDOX HAD PLURALITY OF NINE VOTES

DECISION IN RECOUNT CASE TUESDAY

Special Judge George Craig, of Brazil, ruled in the Putnam Cir-Edward Maddox was elected to the office of sheriff of Putnam County last November by a

Judge Craig in announcing his decision stated that after the introduction of evidence it took some time to go over the contested ballots. He sand that approximately two-thirds of these, in his opinion, were good and ballots fell into two categories, check marks and not cross marks. Judge Craig said he could find no authority by which these ballots could be counted. The 19-45 Act specifically states a ballot should be marked by an "X" or a cross mark and the judge said a check mark is not a cross-

of 40 votes counted for Maddox were void and should not have will gather for a pitch-in dinner been counted. He ruled that 7 at the home of Mr. and Mrs ballots should have been counted Elvin Harlan, Greencastle townfor Bryan and that 39 ballots ship and in the afternoon visit should have not been counted herds belonging to Walter Dorfor Bryan.

Maddox, Judge Craig subtracted check of Aberdeen-Angus breedthe 40 void ballots, leaving a ers in the county revealed that total of 4,868. Of the 4,851 total approximately 30 different farmfor Bryan, the court subtracted ers owned one or more registered 39 yold ballots and added 7 valid animals, thus this new organiza ballots, leaving a total of 4,819. tion has possibility of becoming This gave Maddox his plurality one of the largest and strongest of 9 votes.

Judge Craig ordered the ballots impounded in case of a possible appeal to a higher court.

Better Chicks for your Money! More Eggs... More Profits

The more eggs you get per hen, the more profit you make. It costs very little, if any, more to feed a Colonial Best Egg hen, than it does an ordinary hen, with no quality breeding. The national average is 118 eggs per hen, while many Colonial custo mers report records of over 200 eggs per hen! Get more eggs

WE WANT YOUR HATCHING EGGS

Arthur Pickens, Sector Advisory Board

Being a mere man I don't know much about beauty parlors. But my wife does, and so does my secretary.

Both of them together don't spend eighty-five dollars a year in beauty parlors, and both of them are attractive, each in her way.

Erich Brandeis'

America's beauty culturists, as they call themselves, now assembled in New York for their annual convention and bearity

show, have a very good idea. They intend to ask Congress for an income tax deduction of \$85 a year for all women over 17 vears of age.

That amount, they say, is the irreducible minimum for any woman who wants to keep herself attractive in beauty parlors. No
